Course Map

Marshalls have no control over traffic flows and there are no speed restrictions or road closures in place for this event. It is important that you follow their directions at all times and follow the road rules as laid out in the Road Code.

Pukekohe Joggers & Walkers Club was formed in September 1964. Proceeds from this event are used by the club for the maintenance of club facilities and donations to local organizations. The first club Half Marathon was run on Anniversary weekend in 1978—making this year's race our 38th run.
